

Support via email and chat

Questions about the CM can be answered:

- Via an email [support /at/ customermonitor . eu](mailto:support@customermonitor.eu)
- Using the chat (online dialog in bottom right corner).
- Contacting us by our [contact form](#) [1].

Telephone support

We will gladly answer your questions. Use our telephone contact number: **+421 2 5465 0242**.

Technical information about CM

The most detailed and the most recent technical information about operation of CM can be found in the section [How CM works](#) [2].

Manuals

The secondary source of information are the [Manuals](#) [3]. Our PDF documents are almost equivalent to articles in the section "How CM Works" and are about to be cancelled soon.

Update history

List of added and changed CM functions can be found in

[Update history](#) [4]

Date:

12/10/2011
